Mr. SESSIONS, from the Committee on Rules,  
submitted the following

R E P O R T

[To accompany H. Res. 668]

The Committee on Rules, having had under consideration House Resolution 668, by a record vote of 8 to 4, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of the Senate amendment to H.R. 1, the Tax Cuts and Jobs Act. The resolution makes in order a motion offered by the chair of the Committee on Ways and Means or his designee that the House concur in the Senate amendment to H.R. 1. The resolution waives all points of order against consideration of the motion. The resolution provides that the Senate amendment and the motion shall be considered as read. The resolution provides 20 minutes of debate on the motion equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means. The resolution provides that clause 5(b) of rule XXI shall not apply to the motion.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the motion includes a waiver of Section 311 of the Congressional Budget Act of 1974, which prohibits consideration of legislation that would cause revenues to be less than the level of total revenues for the first fiscal year or for the total of that first fiscal year and the ensuing fiscal years for which allocations are provided.

Although the resolution provides that clause 5(b) of rule XXI does not apply to the motion, the rule isolates only specified provisions and does not look at the essential interactions of all the tax provisions. While the underlying legislation as a whole provides

broad tax relief, the provision is necessary because of the narrow focus of the rule.
